CSPC: 513473

UPC: 626990108221

Winemaker's notes:

Our 2017 Rosé features 80% Pinot Noir & 20% Gamay Noir grapes. The Pinot Noir fraction was cold soaked at 8°C over three days, then pressed. It was cold settled over six days at 5°C to create the beautiful pink colour. Fermentation was stopped to balance the wine and leave a delicate hint of sweetness.

Tasting notes:

This fruit forward rosé, a juicy blend of Pinot Noir and Gamay Noir, is bursting with fresh summer flavours of wild strawberries and raspberries. This beautiful, fresh and light pink wine is dry, with a long finish and a creamy, rich texture. Savour it chilled this summer, with your favourite BBQ fare and farm fresh salads. Savour this rosé with BBQ fare, a fruit & cheese platter, farm fresh salads, grilled cheese sandwiches, or a perfect summer evening on the patio.
