WINEMAKER'S NOTES

Made with grapes from our estate Dry Creek Vineyard, a West Kelowna vineyard, and a portion of grapes from a small vineyard in Lytton. The grapes were whole cluster pressed to ensure the softest juice extraction method, with only free run juice used. Our South African winemaker then cold fermented the must in stainless steel at 12 degrees, with a selected South African yeast strain, to create a fresh and aromatic wine with a crisp finish.

TASTING NOTES

Vibrant and fresh, this Pinot Gris is bursting with citrus and tropical fruit notes of kiwi, lime, and grapefruit. This juicy and fruit-forward wine is well balanced and perfect for any occasion. Delicious to drink on its own, or pair it with mussels, white fish, or pasta with a cream sauce.
