WINEMAKER'S NOTES

The grapes for this Riesling were grown at 3 vineyards: the Rise vineyard in Vernon, a vineyard in Kelowna, as well as our Lillooet estate vineyard. The grapes had a long hand time, ensuring optimal ripeness. All vineyards had a very low cropping level of less than 3 tons/acre. This is a beautifully terroir driven Riesling with an elegant and aromatic palate. The ferment in stainless steel was arrested naturally by dramatically lowering the core temperature of the wine until it was no longer active. This left just enough residual sugar to balance the higher acid levels traditional in this noble grape variety.

TASTING NOTES

Bright and lively with tropical aromas of lychee, rose petals and lemon grass, this Riesling is beautifully balanced with flavours of Honeycrisp apple, pear, and lemon zest. This versatile wine pairs with almost anything, but especially sushi, tapas, and spicy curry dishes. This is also a great patio sipper.
