WINEMAKER'S NOTES

Made from organically grown Pinot Noir (66%) and Gamay Noir (27%) grapes from West Kelowna. The grapes were harvested on September 29th, 2018. The grapes soaked for three days before the juice was pressed off. The juice was co-fermented in a stainless steel tank at a low temperature. A splash of Muscat was added to provide the wine with some extra aromatics.

TASTING NOTES

A fruit forward rosé bursting with luscious flavours of raspberries and cranberries. This slightly off-dry, medium bodied rosé features a blend of 100% organically grown Pinot Noir and Gamay Noir grapes. Savour it chilled with grilled salmon or a fresh summer salad.
