### WINEMAKER'S NOTES

Made from 100% Lillooet estate fruit, this wine is composed of 80% Pinot Noir grapes, 16% Cabernet Franc and 4% Merlot. The Cabernet Franc and Merlot are the first grapes harvested from our new Red Rock vineyard, planted in 2018. The grapes were destemmed and crushed to allow for skin contact time of 48 hours. This process allows for the colour from the skin to integrate into the juice. After the perfect colour was achieved, the grapes were lightly pressed, settled and the clean juice racked from the solids. The fermentation was long and cold, to produce an exotic aroma with a fruit forward palate.

### TASTING NOTES

Luscious and juicy, this 100% estate grown Rosé is made predominantly with Pinot Noir grapes, plus a small fraction of Cabernet Franc and Merlot. Savour enticing notes of bright red raspberries, watermelon, and cotton candy in this refreshing summer wine. A great summer refresher to enjoy on its own or paired with a fresh salad, Spinach and feta quiche, salmon dishes or BBQ chicken skewers.
