ROSÉ

BC VQA

WINEMAKING NOTES

This wine is predominantly made with Pinot Noir grapes and a touch of Merlot, Cabernet Franc, and Cabernet Sauvignon. The grapes were destemmed and crushed to allow for skin contact of up to 12 hours. After the perfect colour was achieved, the grapes were lightly pressed, followed by a long and cold fermentation. The result is an elegant Rosé with a fruit-forward palate, a creamy texture, and a crisp finish.

TASTING NOTES

A refreshing summer wine with aromatic notes of fresh strawberries and pomegranate, with hints of watermelon. A delicious Rosé that has a rich, creamy texture and a crisp finish.
